Second Chance Pet Adoptions

Racing for Rescues

In 2023, nearly **500 people** attended our annual 5K race / fun walk! This event also features a **virtual format**, which will expose your company’s name to both in-person and remote participants! *Racing for Rescues* participants receive a t-shirt with sponsor logos/names on the back. This year, participants will enjoy a vendor village filled with exciting vendor booths, dog agility demonstrations and the opportunity to test their own pet’s agility skills, “make your own dog treats” tables, a costume contest with amazing prizes and more!

OUR IMPACT:

- We are the oldest no-kill rescue in the area, serving Wake County and the surrounding communities.
- Since our inception in 1987, we have helped over **19,000 dogs and cats** find their forever homes.
- In 2023, we rescued **347 cats** and **419 dogs** that had been abandoned, surrendered or stray.
- Last year, we placed **337 cats** and **133 dogs** for adoption into their “forever” families.
- **235** dogs were transported out of North Carolina for adoption.
- Approximately **88%** of every dollar we raise goes directly to help the animals.
